- CRITICAL INCIDENT COMMAND
- TABLETOP EXERCISE

## 16 HOURS OF TRAINING OVER 2 DAYS

This 16-hour course is designed to provide patrol supervisors with the information and tools needed to manage a critical incident prior to the arrival of SWAT. Legal issues, scene management and small team tactics can give the patrol supervisor the tools needed to manage a critical incident scene as well as respond to unfolding events prior to the arrival of SWAT.

*This is a class designed for supervisors and commanders with no or little tactical experience. This is not a SWAT course.*

## LEARNING OBJECTIVES

- Understanding of the importance of leadership and training roles for supervisors
- A foundation of legal issues surrounding SWAT, Use of Force, and Emotionally Disturbed Persons
- Small team tactics as they apply to patrol operations
- Managing critical incidents in patrol and how to transition to SWAT when appropriate
- How to utilize incident debriefs and tabletop exercises to reinforce blocks of instructions
