

School Safety & Security Trilogy Series

WHY ATTEND?

This advanced course is designed for professionals responsible for the safety of public and private schools and institutions of higher learning. Led by subject matter experts with real-world experience, the program delivers actionable strategies to enhance preparedness, response, and recovery in the face of mass violence.

Participants will explore school safety through multiple lenses and gain the tools needed to confidently manage active threat situations.

WHAT IT COVERS:

Block One:

- Pre-planning
- Security Planning & Vulnerability Assessments
- Emergency Response Planning
- Threat Assessment & Management
- Training & Drills
- Building Partnerships
- Case Study Practical Exercise

Block Two:

- Active Threat History
- Crisis Command & Coordination
- Critical Incident Response
- Emergency Communication

Block Three:
