

THE SIX LAYER CONCEPT:
HTMBPR WORKSHOP

HUMAN TERRAIN MAPPING & BEHAVIOR PATTERN RECOGNITION

RECOGNIZE THE PATTERNS. IDENTIFY THE THREATS. MAKE INFORMED DECISIONS.

The NTOA has partnered with Six Layer Concepts & Consulting to offer the Six Layer Concept: Human Terrain Mapping and Behavior Pattern Recognition (HTMBPR) Workshop.

This workshop equips participants with the skills to observe human behavior, recognize patterns, and effectively articulate and defend their decisions using science-based principles.

Participants will learn to establish behavioral baselines, identify anomalies using the six layers of human behavior, understand factors that influence observation and decision-making, and apply HTMBPR principles to threat recognition.
