This course combines innovative tactics with tried-and-true techniques and is designed for individuals assigned to teach all law enforcement personnel immediate deployment/rapid intervention techniques. This is a train-the-trainer course. Topics to be covered include an historical overview of active shooter situations, including school shootings, immediate deployment/rapid intervention tactics, barricade-hostage rescue concepts, and instructional techniques. Weapons firing marking cartridges will be used in hands-on training exercises.

LEARNING OBJECTIVES

- Identify and demonstrate appropriate instructional methods for training law enforcement personnel
- Identify and demonstrate appropriate safety protocols for conducting Force-On-Force training
- Discuss prior active shooter incidents and explain lessons learned from each
- Demonstrate appropriate Active Shooter Response tactics and Hostage/Barricade tactics for initial first responders
