My fellow NTOA Members,

My name is Patrick Hilliker, and I am honored to be considered for a position on the NTOA Board of Directors, representing the Western Region. I want to take a moment to share why I am seeking your vote and how I believe I can contribute to our organization's continued success and growth.

I have proudly served as an instructor for the NTOA since 2011, and over the years, I have conducted nearly 100 classes. Each session has been an opportunity not only to share knowledge but also to learn from fellow professionals, discuss decision-making and tactics with team members across the country, and contribute to the growth of our professional community. In addition to teaching, I have been involved with our annual conference since 2011. For the past few years, I have supported the staff by helping with the vendor show, raffle, and transportation.

I strongly believe in the mission and values of the NTOA. This organization has had a significant impact on many of us, and I want to help ensure it continues to succeed and move in the right direction. I am a 30-year veteran of the Pima County Sheriff's Department in Tucson, AZ. As a tactical team member, supervisor, and now commander with SWAT since 2001, I bring a depth of experience, leadership, and a strong commitment to service—qualities I will contribute to the board if elected.

I respectfully ask for your vote and support. I'm ready to serve in a larger role and work with the board to strengthen our programs, support our members, and help shape the future of the NTOA.

I appreciate your consideration.

Sincerely,

Patrick Hilliker
