

Robert E. Wolf

Colorado Springs Police Department

Sergeant, Tactical Enforcement Unit, Canine Unit, Unmanned Aerial Support Unit

Specialized Enforcement Division

Work history

01/1992	Began employment with the Colorado Springs Police Department. Worked in the Sand Creek and Falcon Divisions.
10/1997	Transferred to Metro VNI as a Detective on a street team and was responsible for the investigation of street level illegal narcotics trafficking. As a result of my assignment I became familiar with the variables of drug deals from the investigative side.
01/2000	Assigned to the full-time Tactical Enforcement Unit where I served as an operator. Additional responsibilities included serving as a Counter Sniper, Rear Containment Leader, the team Training Officer, Range Officer, and a PTO. I have participated in a wide range of operations ranging from traditional tactical operations to natural disasters (Waldo Canyon Fire and subsequent floods), Presidential Details, and multiple hostage situations requiring tactical interventions.
04/2007	Certified as an instructor with the National Tactical Officers Association (NTOA). Instruct Active Shooter, Basic SWAT, Advanced SWAT, Hostage Rescue, High Risk Warrant Service and Team Leader. Conducted 2 debriefs at the NTOA National Conference.
01/2014	Promoted to Sergeant and assigned to Patrol for just under 2 years until returning to TEU in 2015.
10/2015-	Transferred to the Tactical Enforcement Unit where I am currently assigned to supervise high risk operations overseeing the tactical unit, Canine Unit and Drone Unit.
