RE: Nomination for NTOA Board of Directors

Dear Thior,

Please accept this correspondence as a nomination and recommendation for Spencer Fomby for an NTOA Board of Director position. Spencer is a true professional with eighteen years of experience as a subject matter expert in tactical and public order experience. His knowledge and experience will be a significant benefit to the NTOA Board of Directors.

Spencer has been a police use of force instructor for 15 years in the following disciplines: Public Order, active shooter, patrol tactics, counter-ambush, defensive tactics, impact weapons, less-lethal weapons, sting balls, flash bangs, chemical agents, firearms, SWAT, and de-escalation.

Spencer is considered a subject matter expert in tactical operations. He was selected to join the National Institute of Justice Special Technical Committee on Civil Disturbance Unit Equipment and the Department of Homeland Security First Responder Resource Group. He is currently the Public Order Section Chair for the National Tactical Officers Association (NTOA) and a NTOA Public Order Response and Operations Standard Committee member.

Thank you for the opportunity to recommend Spencer, and please let me know if you have any additional questions.

Sincerely,

Eric P. Daigle, Esq.
